

CONSUMER ZERO DOWN TIME & DEMO PROGRAM

West Chester Lawn & Garden maintains a fleet of 21” walk mowers, lawn tractors, and zero turn riders for demo use to qualified buyers. These demos are placed in the demo program for the mowing season and then discounted and sold with full factory warranty later in the mowing season.

These demo units are also available to consumer customers, whose credit is in good standing with West Chester Lawn & Garden, who have mowers purchased from West Chester Lawn & Garden, and that mower is in our shop for repairs as follows:

21-22” walk mowers	Customer picks up mower when dropping off mower for service and returns mower when picking up serviced unit	\$49.99
--------------------	---	---------

lawn/garden tractor or consumer Z	Customer picks up mower when dropping off mower for service and returns mower when picking up serviced unit	\$149.99
-----------------------------------	---	----------

or mower is dropped off by delivery/pick up driver when picking up unit to service and then is picked up by driver when serviced unit is returned.
\$199.99

The mower is full of fuel and is clean when sent out. The customer will be charged \$20.00 for cleaning if not clean when returned and will be charged prevailing fuel price for fuel needed to refill tank.

West Chester Lawn & Garden will provide demos (not necessarily comparable unit to customer’s unit) under this program to the extent that demo fleet is available (not out to qualified buyers. This program does not guarantee a loaner will be available at all times.) Customer is responsible for mowers while in their possession and will be solely responsible for any damage done to mower, other than normal wear. Demo mower is to be returned within 48 hours of notification that customer’s mower repairs are complete or delivery is scheduled on next available delivery day after repairs are complete.

Purchase a West Chester Lawn & Garden Preferred Customer Plan within 30 days of equipment purchase. The fee for the loaner program will be waived, as specified in the PCP contract. The loaner plan is in effect for the term of the current preferred customer plan purchased. The protection plan may be renewed after the contract ends.

West Chester Lawn & Garden is not in the rental business and provides the above listed services to WCLG customers only. Rates may change over time.
